

Noor Atallah

CIVIL ENGINEER

Jordan-zarqa | 0786075693 | nooratallah1234@gmail.com

Objective

Eager and motivated civil engineering graduate seeking an opportunity to apply my theoretical knowledge in a practical setting. Excited to learn and contribute effectively within a professional environment.

Experience

Civil engineer intern

jul2021-sep2021

- visited project sites during construction to. monitor progress and consult with contractors and on-site engineers.
- Prepared and maintained accurate and complete work records and reports using sap2000.
- interacted with state and local agencies personal projects concerning compliance with codes and regulations.

Data analysis and machine learning training online

jan2023-aug2023

- Used python for data analysis and visualization and machine learning.
- Used other data analysis tools.
- Developed machine learning models for prediction

Education

The Hashemite University

2017-2022

Civil engineering

Skills & abilities

- Engineering programs skills, sap2000, AutoCAD, Prokon, Etabs, civil3D, bently.
- Proficient in MS Office Suite (Word, Excel, Access, Outlook & PowerPoint, power BI).
- Structural design
- Teamwork skills
- Communication skills
- Programming skills using C++ and Python.
- Data analysis software (SQL, Excel, Tableau, power BI)
